I do not sell illegal copies, only record company or artist releases. Some small labels and many artists produce & copy their limited editions as CD-Rs (R)

Ik verkoop geen illegale kopieën, alleen uitgaven van platenmaatschappijen of artiesten. Sommige kleine labels en veel artiesten produceren hun kleine oplagen als CD-Rs (R)

The grading is for CD's and inlays etc., not for jewel boxes, as they can easily be replaced - plastic CD doosjes tellen niet mee voor de aangegeven conditie
