I do not sell illegal copies, only record company or artist releases. Some smaller labels and many artists produce & copy their limited editions as CD-Rs (R)  
Ik verkoop geen illegale kopieën, alleen uitgaven van platenmaatschappijen of artiesten.  
Sommige kleinere labels en veel artiesten produceren hun kleine oplagen als CD-Rs (R)

The grading is for CD's and inlays etc., not for jewel boxes, as they can easily be replaced - plastic CD doosjes tellen niet mee voor de aangegeven conditie
