Ik houd **geen** rekening met je voorkeur! Dit is wat er overgebleven is van deze of vorige auctions, of ik heb er gewoon teveel van in voorraad. Je kiest de artiest/groep etc. en ik stuur je wat ik heb a €1 per stuk (je kunt een maximum aantal aangeven). Zijn er meerdere liefhebbers, dan worden ze verdeeld; je mag ook wat hoger bieden... dan ga je voor!
You can **not** make your own choice. These are left overs from this or previous auctions, or I just have too many of them in stock. You choose the artist/band etc. and I will send to you what I have at €1 a piece (you may indicate a limit on how many). In case there are more people interested, I will divide; you may also bid a little higher, to enhance your chances...
